Dear: Louisiana Board of Ethics

I want to thank you for making me aware of your concerns. I write this letter requesting that I be granted a waiver of fines related to tardiness in submitting a financial disclosure form. All board members, including myself, were not in compliance because we were informed by the previous Executive Director (Jerry Jones) that our agency did not fall within the required financial disclosure requirements. For this reason, none of us submitted statements over the past years. I have sent in my forms to be in full compliance.

Thanks in advance for your consideration,

Dear: Louisiana Board of Ethics

As the Interim Executive Director of the Baton Rouge North Economic Development District, as well as a current Board Member, I want to thank you for assisting us to become compliant with the financial disclosure laws of our State. I write this letter requesting that I, and each of my fellow board members, be granted a waiver of fines related to tardiness in submitting our financial disclosure forms. All of us, both current and past board members, were not in compliance because we were informed by the previous Executive Director that our agency did not fall within the required financial disclosure requirements. For this reason, none of our board members submitted statements over the past four years. We intend to be in full compliance for future years.

Thanks in advance for your consideration,

Dr. James Gilmore, Jr.
